Complete logistics Solutions*

“We work continuously to find new avenues of enterprise and develop deeper level of knowledge in the field of logistics for our valuable clients.”

SAVUL
Sea Air Land

Our Office

THE COMPANY

Established in the year 1961, SAVUL, headquartered in the commercial hub of Pakistan and the key port city of the region, Karachi; to provide quality logistics support and services to importers and exporters, as well as to companies in other industries such as manufacturing, construction, retail, agriculture, etc.

Recognizing that companies will focus on their core activities and competencies, while requiring a high level of logistical support and expertise in the achievement of their products and goals, **Abdul Aziz Savul & Co. (PVT) LTD.** , was set up to provide cost-efficient, value-adding logistical support and assistance to their clients.

Abdul Aziz Savul & Co. (PVT) LTD. is the logistics and supply chain complement in the EML Global company that cover a wide range of interests.
